Survey - Town Survey - South Kanara - Udipi Municipality - Letter from the Inspector of Local Boards and Municipal Councils, R.O.C.B.3.No.4944-35, dated 30th January 1936.

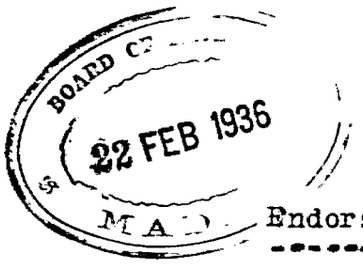
The Special Officer, Udipi Municipality brings to notice that the Udipi town has not yet been surveyed under the Town Survey Rules and that there is only a revenue map for the area. Unless the town is surveyed in detail preferably under the Town Survey Rules, it is not possible to identify local limits for effecting ward-division of the Municipal area before preparation of Municipal rolls. The Collector, South Kanara, who was consulted in the matter states that the revenue survey records now existing for the town are not sufficient in detail and accurate enough that the town should be resurveyed regularly under the Town Survey Rules by a Survey Party. I enclose a copy of the letter received from the Collector, South Kanara for information. I request that Government may be pleased to consult the revenue department in the matter if necessary and pass early orders.

Copy of letter D.Dis.No.5481/35, dated 16th December 1935 from the Collector of South Kanara to the Inspector of Local Boards.

Survey. Town Survey - South Kanara District
Udipi Municipality - Necessity for resurvey.

Your R.O.C.No.4944-B3-35, dated ~~28~~ 29-11-35.

The revenue survey records now existing for the Town are not sufficient in detail and accurate enough to serve the purposes of Town Survey. I am, therefore, of opinion that the Town should be resurveyed regularly under the Town Survey Rules by a Survey Party. I do not think it will be possible for the Revenue Department to undertake the work. I can offer ~~the~~ no opinion as to the cost.



Endorsement No.349 E/36-1, dated 19th February 1936.

Referred to the Board of Revenue for remarks.

Copy of letter from the Inspector of Municipal Councils and Local Boards, Madras. R.C.C.B3 No.17802/36, dated the 25th July 1936.

Subject:- Survey - Town Survey - (South Kanara) Udipi Municipality.

The Special Officer, Udipi Municipality, brings to notice that the Udipi Town has not yet been surveyed under the Town Survey Rules and that there is only a revenue map for the area. The Collector, South Kanara who was consulted in the matter states that the revenue survey records now existing for the town are not sufficient in detail and accurate enough and that the town should be resurveyed regularly under the Town Survey Rules by a Survey party. According to the estimate of the Board of Revenue the total cost of the survey would some to Rs.14,901/- Of this, Government will have to bear Rs.3,436/- and the Municipal Council Rs.6,321/- and the balance of Rs.5,144/- will have to be borne by the people under Stone and labour charges.

The Special Officer suggests that the town survey may be postponed for a year by which time the financial position of the Municipality will be known, and the present discontent among the people owing to the establishment of the Municipality will subside. Though the people may resent the levy of this extra charge, a survey has to be undertaken in the interests of the Municipal administration and whether it is done now or a year hence does not make much of a difference. It is is not done now, it would be much more difficult for an elected Council to resolve to do it. I therefore consider that the best course is to undertake the survey a now and I request that Government may be pleased to pass early orders in the matter.

Survey - Town Survey - (South Kanara) - Udipi Municipality - consent of the Special Officer to bear the proportionate cost

Your Ref. C No.4334-I-36 dated 26.8.1936.

The decision of Government on the question of postponement or otherwise of town survey has not been received by me as yet. Further all the Councillors of this Municipality having been declared elected the Council stands fully constituted with effect from 19.8.1936 and I ceased on that date to exercise the powers, discharge the duties and perfor the functions of the Municipal Council. In the circumstanc I am afraid, I am not now competent as Council to give my independent consent to bear the cost of town survey as now desired by you. The matter will however be placed before the Council and its decision submitted in due course. By this time I expect receipt of orders of Government on the reference made by the Inspector of Local Boards.

From the Board of Revenue, No.550/36, dated 15-9-36, and 30-9-1936, and 16th October 1936.
From the Commissioner of Salt, No.1/35, dated 18-9-...

observe that the ordinary receipts of the Council are expected to exceed its ordinary charges by Rs.3,500/- and the General account-ordinary is expected to close with a balance of Rs.18,850/- on the 31st March 1937. It is thus in a position to meet its share of the cost of the survey from its balance. If it does not propose to provide funds in the current year, it should consider the question of provision of necessary funds in the next year's budget which should be now under preparation. The Council is therefore advised to reconsider the question and report its decision to Government at an early date.

The Collector forwards a Copy of letter of the Secy of Municipal Councils and Local Boards recommending to Govt L.S.G. the sanction of 2 Municipalities. Both the obtained and has not forwarded the consent of the Govt. Offices in his capacity as the Municipal Council to agree to the proportionate contribution sum called for in the Board's Order of 1.5.86 at pp 9-10 C/f. This will be pointed out to the Collector and the information called for

I think a copy may also be sent to Govt for their information

The Govt. have also forwarded a copy of the letter of the Inspector of Local Boards and Municipal Councils alongwith forwarded by the Collector with his letter at p13 Cf. for remarks. The estimated cost of survey of the Municipality was already furnished to Govt on 26.5.86 and it is also contained in the letter of the Insp. of Local Boards referred to above. The Collector ~~has stated that~~ is said to have reported that the records now existing are not sufficient in detail and accurate and both he and the Inspector of Local Boards are of the opinion that the survey of the Town may now be made, although the Special Officer desires its postponement ~~owing to~~ to next year. Consider the present financial condition of the Municipality and the discontent ~~caused~~ among the people owing to the establishment of the Municipality. The Collector has however been asked to obtain and submit the consent of the Spl. officer in his capacity as the Municipal Council to bear the proportion cost of survey.

In the circumstances, it is submitted for consideration if the Board would recommend to

to Cash the sum, informing them at the same time that the Collector has addressed this office and to submit the consent of the Spl Officer in his capacity as the Municipal Council to bear the proportionate cost of survey and that it will be forwarded on receipt.

In view of the report of the Inspector of Local Boards at A at page 14 ct. I think the Board may see that it would be advisable to take up the Survey now.

The Spl Officer says that the elected Council stands fully constituted with effect from 15.8.36 & that he will place the matter before the Council and submit its decision in due course.

For orders.

The Council's resolution may be awaited.

From the last sentence of the Spl. Officer's letter it would appear that he intends submitting the resolution of the municipal Council only after the receipt of the views of Govt. on the report of the Inspector of Local Boards at page 18 ct. But Govt. require the remarks of the Board on this letter - vide Govt. Memo at page 17 ct. I think a copy of the Spl. Officer's letter at page 21 ct. may be submitted to Govt. I think Govt. may also be informed that the Board agree with the Inspector of Local Boards that a survey of the town at an early date is necessary
